**PUPILS** at a Birmingham special school have cooked up a real treat — a book full of celebrity recipes.

It includes the favourite recipes of the Prime Minister and *Blue Peter* television presenters and is the work of 20 pupils aged 16 to 19 at Kingstanding School.

The youngsters, who all have severe learning difficulties, set up their own company called Crocpots as part of a business project organised through the Team Enterprise Scheme.

They wrote to a host of famous people to ask them for their favourite recipes before compiling them in a book entitled *Our Favourite Recipes*.

Pupils at the school in Old Oscott Hill then designed the book's cover and also sold shares in their newly-created company to help cover printing costs.

The book, priced at £3.99, is now on sale following its launch at the school by Perry Barr MP Jeff Rooker and deputy Lord Mayor Coun David Roy.

Apart from John Major and the presenters from *Blue Peter*, other celebrity contributions have come from entertainer Rolf Harris, who presents *Animal Hospital*,
